

# My Passport<sup>™</sup> for Mac<sup>®</sup>

Portable Hard Drives

**Smaller, smarter backup  
and storage for Mac**

Automatic, continuous backup

Visual backup control center

Compatible with Apple<sup>®</sup> TimeMachine<sup>™</sup>

The world's most popular portable drive is now smaller and smarter than ever. It features automatic, continuous backup software and password protection. If you prefer to use Apple TimeMachine, no problem - it works with that, too.

PUT YOUR LIFE ON IT<sup>®</sup>

# My Passport for Mac

## Portable Hard Drives

### Product Features

#### WD SmartWare™ Software

##### See your life safe in one place.

##### See your backup as it happens

Seeing is believing. Visual backup displays your content in categories and shows the progress of your backup.

##### Protect your data automatically

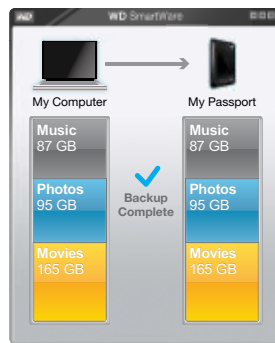

Relax, your data is secure. Automatic, continuous backup will instantly make a second copy whenever you add or change a file.

##### Bring back lost files effortlessly

Retrieve your valuable data to its original location whether you've lost all your data or just overwritten an important file.

##### Take control

Customize your backup, set drive security, run diagnostics, manage the power settings, and more from the WD SmartWare control center.

Visual backup displays your content categories and confirms that your files have been backed up.

##### Our smallest portable drive ever

We designed a smaller, high-quality, integrated USB hard drive inside a stylish package.

##### Drive lock

Gain peace of mind knowing that your data is protected from unauthorized access or theft with password protection and 256-bit hardware-based encryption.

##### Planet friendly

We designed a small retail box from recycled materials to minimize waste. We encourage you to recycle it.

##### Designed for Mac

Formatted for Mac and compatible with Apple Time Machine, this drive is plug-and-play ready for Mac computer users.

##### USB 2.0 interface

Powered directly from the USB port on your PC. No separate power supply is needed.

An optional cable is available for the few computers that limit power from the USB port.

### Product Specifications

#### INTERFACE

USB 2.0

#### DIMENSIONS

Height: 0.60 in (15 mm)  
Depth: 3.20 in (83 mm)  
Width: 4.30 in (110 mm)  
Weight: 0.44 lb (0.20 kg)

#### SYSTEM COMPATIBILITY

Formatted HFS+ Journaled  
Mac OS® X Tiger®, Leopard®,  
Snow Leopard™

#### CAPACITIES AND MODELS

640 GB	WDBAAB6400ACH
500 GB	WDBAAB5000ACH
400 GB	WDBAAB4000ACH
320 GB	WDBAAB3200ACH
250 GB	WDBAAB2500ACH

#### KIT CONTENTS

Portable hard drive  
WD SmartWare software  
USB cable  
AC adapter  
Quick Install Guide

#### OPERATING SPECIFICATIONS

Data transfer rate:<sup>1</sup> Up to 480 Mb/sec

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabit per second (Gb/s) = one billion bits per second.
